

2021 BRONCO SUMMER CAMPS

ST. ANDREW'S
EPISCOPAL SCHOOL

WELCOME TO THE OPENING OF BRONCO SUMMER PROGRAMS!

Starting in the Summer of 2021, we will be offering summer programs that are prioritized for St. Andrew's students and then open to the Amarillo community! With classes being offered as exploration and/or accelerated learning and offerings from our signature enrichment program, there's something for every child! What a great way to extend your child's love of learning into the summer months with St. Andrew's Master Teachers!

Yes, it's February, but it's never too early to think about summer! Browse through this digital brochure and click [here](#) to register for the classes. Priority enrollment for St. Andrew's students runs through April 1. At that time, we will open the classes for students throughout Amarillo.

Please contact either the lead faculty member for each class or the Main Office if you have any questions.
